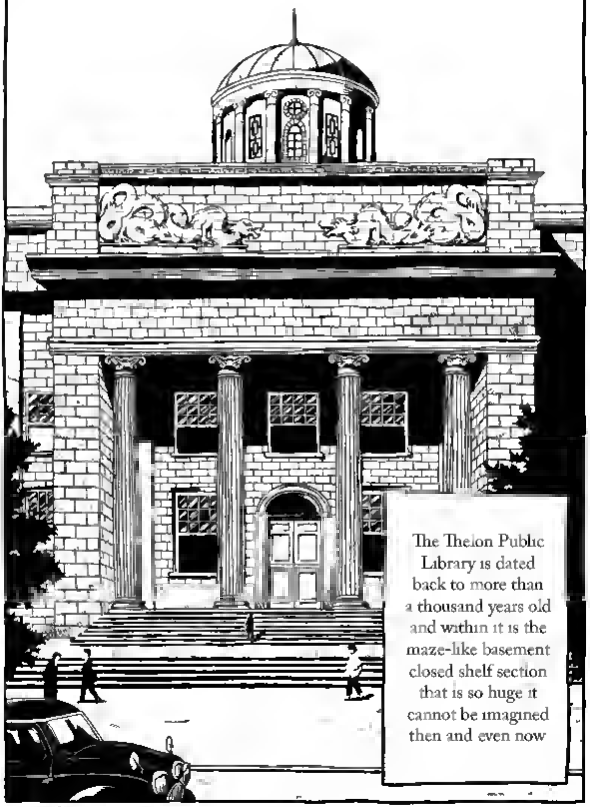
Paperback Writer



The Theion Public Library is dated back to more than a thousand years old and within it is the maze-like basement closed shelf section that is so huge it cannot be imagined then and even now

The time-worn rocket landed on a tiny planet that perpetually snowed.

There's a coffee shop at the edge of town called 'Stern' and the waitress there has a hidden side-

HMM

HERE YOU GO.
AH, THANK YOU-

End
Part 1

YEAH, YEAH
HOW CAN YOU BE SLEEPING AT THIS HOUR?!
GENKO! IS IT READY YET?
